Subject: CLARIFICATION REGARDING SYLLABUS FOR THE SUBJECT OF CHEMISTRY FOR CLASS IX

There appears some confusion regarding syllabus and reference book for the subject of Chemistry for Class IX. It is therefore clarified that there is no change in the syllabus for the subject of Chemistry for Class IX and SSC Part-I examination 2012 shall be held in accordance with the syllabus already in vogue, however students who will be admitted in class IX in 2012 will follow new curriculum/textbook.
