8/4, ISLAMABAD

No. Dir(Acad)/FBISE/2015/144

Dated:15-06-2015

C I R C U L A R

The FBISE introduced online submission of Registration return/data of expected candidates of SSC Annual Examination 2015 onward, and had an excellent response from the Institutions/public. However, few institutions are having problems in sending their data due to certain technical constraints at their end and have requested for extension in online data submission time.

2. The competent authority, realizing the practical problems, has very kindly allowed extension of one week time in online submission i.e. till 22 June 2015.
