Subject:- **SELECTION OF PAKISTAN TEAMS FOR PARTICIPATION IN INTERNATIONAL SCIENCE OLYMPIADS THROUGH NSTC-15**

Dear Sir / Madam,

STEM Careers Program, a joint venture of Higher Education Commission (HEC) and Pakistan Institute of Engineering & Applied Sciences (PIEAS) to inspire the potential youth of the nation to pursue careers in Science, Technology, Engineering and Mathematics (STEM). Besides, STEM teams also represent Pakistan in International Science Olympiads (ISOs) in Biology, Chemistry, Mathematics and Physics organized across the world, exhibiting the natural talent of the country in these competitions through NSTC. National Science Talent Contest is an extension of the National Physics Talent Contest (NPTC) launched in 1995. The first ever International participation of Pakistan Team was in the 32nd International Physics Olympiads that was held in Anatolia, Turkey in 2001. The performance of the Pakistani Students was quite encouraging in that Olympiad as one of its team member won an honorable mention and also got the best performance award for the first time participating country. Later in 2003, the subsequent encouraging performance of Pakistan teams led us to extend this Programme to Biology, Mathematics, and Chemistry with the generous support of the Higher Education Commission (HEC).

This year in July-2017, the Pakistan Teams participated in International Science Olympiads in Physics, Chemistry, Biology and Mathematics held in Indonesia, Thailand, UK & Brazil respectively and won four Bronze Medals and four Honorable Mentions.

Now STEM Careers Programme has launched its 15th National Science Talent contest (NSTC-15) for selection of Pakistani Teams to participate in International Science Olympiads in Biology, Chemistry, Mathematics and Physics, scheduled to be held in July-2019. In this connection enclosed herewith an introductory package comprises of a Poster of NSTC-15, Student Nomination Forms & online bank deposit slip. The selection criterion is mentioned in the posters.

You are requested to advise your students to apply and be part of the said activity. Please send us the enclosed student nomination forms duly filled-in alongwith fee receipt as soon as possible but not later than **26th January, 2018**.

We shall look forward and appreciate the active participation of your school / college in this challenging endeavor.

Best Regards,

(ASIF UR REHMAN)
